

## Have you seen your storm drain lately?

# NO DUMPING FLOWS TO BAY

**You are the solution to water pollution.  
And it's easy to prevent:**

-  Call 911 immediately when you see anyone dumping into creeks, gutters or storm drains
-  Keep your car in tune and fix leaks promptly
-  Keep leaves and grass clippings out of the gutter (single family customers: **recycle yard trims** using your **yard trimmings recycling cart!**)

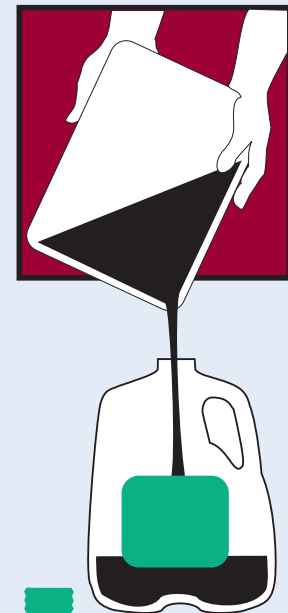

Call the Stormwater Pollution Prevention Hotline: **586-2605**

### Recycle used motor oil at the curb:

- Use only free jugs from Milpitas fire stations & Republic Services (1601 Dixon Landing Road, 432-0444)
- Set out jugs at the curb next to your recycle cart, but not in the street, on collection day.
- **DO NOT** mix any fluids with motor oil
- Sorry, motor oil **NOT** collected at multi-family complexes

### Recycle motor oil/filters, antifreeze, fluorescent bulbs, and household batteries at Milpitas businesses:

- Use containers with screw-top lids
- **DO NOT** mix auto fluids
- **DO NOT** transport more than 5 gallons or 5 filters a day
